*Jack Parker MMR #504*

**In January, 2013, Jack Parker received two AP certificates. That completed the requirements for Master Model Railroader.**

**Jack has been awarded MMR# 504.**

**The members of the Carolina Southern Division all extend their congratulations to Jack. This is a great accomplishment and well deserved recognition for all he has contributed to the hobby.**

**Jack is a founding member of the Carolina Southern Division.**

**He hosts the annual Division picnic at his home on Mountain Island Lake. His clinic on weathering at the Division's annual Railroad Modelling University is always well attended.**

**He is well-known for the dramatic and highly detailed scenery on his layout. The layout is operated monthly by the Piedmont and**

**Western Club.**

**Most of all, for this editor and many others, Jack is valued and respected for his always welcoming attitude and infinite patience toward anyone interested in model railroading. No matter what level of experience or knowledge in the hobby, Jack warmly greets any newcomer visiting his layout.**

**It is difficult to get through a visit there without getting a throttle in your hand and running a train. While Jack has truly earned the MMR through his active participation in the NMRA and his exquisite modelling skills, he has also greatly contributed to the hobby by making it an enjoyable experience for everyone he meets. Thank you, Jack!**
